

**CONNECTION, GROWTH,
EXPLORATION,
SUSTAINABILITY.**

Canopy Forest School

A local mobile Forest School that can help your school or nursery to develop its knowledge about the benefits of outdoor learning through inset and staff training sessions.

WE BELIEVE IN PROVIDING A CLASSROOM WITH NO WALLS. WHERE THE SKY IS THE LIMIT. NATURE IS THE TEACHER AND IMAGINATION, PLAY AND DISCOVERY THE CURRICULUM. SELF-ESTEEM, WELL-BEING, DEEP CONNECTIONS AND A SENSE OF WHOLENESS AND JOY ARE THE LEARNING OUTCOMES.

Canopy Forest School is a member of the Forest School Association. We are a team of qualified Level 3 Forest School Leaders who are also experienced teachers.

WE CAN HELP YOUR SCHOOL TO DEVELOP ITS OUTDOOR LEARNING PROVISION

WHO WE ARE?

Canopy Forest School is run by Emma Clode who is a local primary school teacher with over 20 years of teaching experience and is a qualified Level 3 Forest School leader. Emma has worked in a wide variety of schools in England, Switzerland and Norway and has a strong belief in the benefits and importance of taking teaching and learning outside. She has worked for many years as an outdoor learning coordinator within school and is skilled in developing links between outdoor learning and the curriculum. She can help your school to make deeper links to outdoor learning so that it is not just an add on but part of the blood stream of your school.

WHAT WE DO?

We offer whole school insets days and staff meetings which will develop your staffs understanding of the benefits of outdoor learning and the impact that this can have on your pupils. We have worked with schools to help them become a part of the Hampshire County council Trailblazer scheme and can also help you to achieve the Eco-Schools green flag award. We also offer wellness sessions for staff so that they can experience first hand the therapeutic benefits of outdoor learning.

STAFF DEVELOPMENT SESSIONS

Canopy Forest School can bring whole school staff training to your school or nursery that will share up to date research, pedagogy and methodologies about the benefits of outdoor learning. This will be delivered through a presentational talk and hands on learning outside.

ALSO INCLUDED:

ECOLOGICAL IMPACT REPORT

Before our training session with your staff we will conduct a survey of your grounds and create an ecological report which is a formal system that identifies and creates an inventory of all the flora and fauna that exist in the area, the topography , substratum, site history/antiquity, site ownership, management and protection. This process evaluates the factors which will support and enhance our interactions with this space.

SUSTAINABLE SCHOOL GROUNDS PLAN

We will also produce a sustainable School/Nursery grounds plan which will outline the proposed actions for looking after area that any outdoor learning will occupy. It will also outline the impact that this learning will have on the environment.
